Band Packet

CELEBRATING 12 YEARS OF
MAKING AN IMPACT

Thursday, September 26th
The Chapel | San Francisco

We are incredibly grateful and excited to have made it this far with the support of the legal professionals by day and the rock stars by night like you who have made our battle-of-the-bands fundraisers a success year after year.

This **September 26, 2024**, we hope that you will band together with us again in support of survivors of domestic violence who depend on our collaboration to maintain free and effective legal aid for their safety.

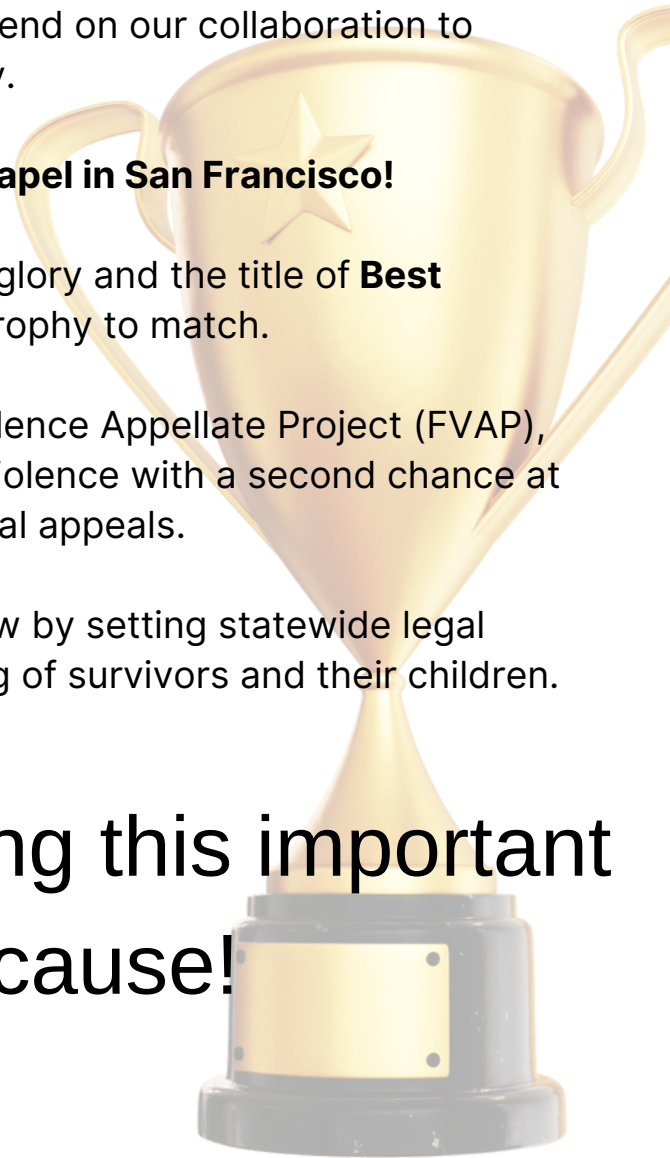

This year's show will be **LIVE at The Chapel in San Francisco!**

The winners of the competition will take home the glory and the title of **Best Lawyer Band in the Bay**, not to mention a mighty trophy to match.

All proceeds are donated directly to the Family Violence Appellate Project (FVAP), a nonprofit that empowers survivors of domestic violence with a second chance at justice by providing free legal representation in legal appeals.

We're changing California and Washington state law by setting statewide legal precedent that prioritizes the safety and well-being of survivors and their children. Learn more at fvaplaw.org.

Thank you for supporting this important
social justice cause!

HOW TO WIN

How to win

A vote = \$1.00. Votes can be cast in any amount.

Fans cast votes for their favorite band by donating in the band's name, and the band with the most votes by the end of the night (the band that raises the most money) wins. **Fans can vote at the live show or online up to 6 weeks before the event via the band's official voting page** (created by FVAP and linked on www.fvapbotb.com).

Bands also compete before the live show in pre-event fundraising challenges! Pre-event challenges include:

1. Aug 19-25: win an extra song in the show, or
2. Aug 26- Sept 1: to secure their preferred spot in the lineup

First, Second, and Third Place are awarded based on voting (fundraising) totals. A Judges' Choice Award is also given by a panel of guest judges based on performance.

Band equipment donation +votes

For each of the following instruments/pieces of equipment your band contributes to the backline, your fundraising page will be credited with votes!

- guitar amp = +200 votes
- bass amps = +300 votes
- keyboard = +500 votes
- drum = +500 votes

Your competition

Fundraising minimum: The money raised at this event generates a sizable portion of Family Violence Appellate Project's (FVAP) annual operating budget every year. Each band is asked to raise a minimum of \$1,000 in votes in addition to the \$1,000 minimum entry fee (most of our amazing bands raise much, much more!). Bands are also encouraged to contribute by securing event sponsorship from their firms/companies. Sponsorship of \$1,000 or more waives the entry fee. All contributions are tax deductible and directly benefit California survivors of domestic violence.

***Please note, ticket costs to the event are not tax deductible.

HOW TO WIN

Fundraising challenges: There are 2 fundraising challenges before the event, and the prizes will give your band a great advantage in the competition! While overall fundraising totals will help your band win 1st, 2nd, or 3rd place, to win a fundraising challenge, your band will need to raise the most money during a designated 1-week period of a challenge (not cumulative). Bands may participate in both challenges.

1. Win An Extra Song: Can't choose between songs? This is the challenge for you! Your band will have exactly one week to raise as much money as possible, from 12 noon to 12 noon over 7 days. **This challenge will run August 19-25. The band that raises the most in this seven-day period will be awarded an extra song to include in the show!**

2. Choose Your Slot in the Lineup: Win this fundraising challenge to choose your band's preferred slot in the lineup! Your band will have exactly one week to raise as much money as possible, from **12 noon to 12 noon, August 26 - September 1. The band that raises the most in this one-week period will get to choose their band's preferred performance time.** This year, the stakes are higher for winning this challenge.

Only the highest earning band will have the opportunity to pick their time slot. ALL other bands will have their names pulled from a hat to determine their time slot. Get your networks engaged and fundraise to win!

Band 1 6:15pm	Band 2 6:45pm	Band 3 7:15pm
Band 4 7:50pm	Band 5 8:25pm	Band 6 8:55pm

Final time slot assignments will be announced in September following the fundraising challenges and after taking into account these factors:

- \$20K Rock n' Roll Royalty sponsor is allowed to choose its own Band time slot
- Pre-Event Fundraiser Challenge Winner will receive more stage time for one Extra Song
- Pre-Event Fundraising Challenge Winner will get to pick their spot in the line up of the remaining time slots

BANDING TOGETHER

What is Banding Together to End Domestic Violence?

Banding Together to End Domestic Violence is an annual attorney battle-of-the-bands fundraiser featuring lawyers who rock out for a good cause. Held annually in San Francisco, bands from California's most philanthropic law firms and corporate legal teams compete in this epic musical battle for the coveted title: Best Lawyer Band in The Bay.

Though the competition is fierce, these rock star attorneys band together to raise thousands of dollars for survivors of domestic violence. All funds raised benefit Family Violence Appellate Project (FVAP), the only nonprofit in California and Washington dedicated to providing free appellate legal services to domestic violence survivors who need to appeal dangerous trial court decisions that leave them or their kids at risk of ongoing abuse.

ROCKING FOR GOOD

How You're Making a Difference

Family Violence Appellate Project believes no one should endure abuse.

Unfortunately, domestic violence is far too common. 1 in 3 women and 1 in 4 men have experienced physical violence by an intimate partner. And even when cases go to court, legal decisions often threaten the safety and wellbeing of survivors.

How does my participation end domestic violence? Family Violence Appellate Project exists to keep survivors and their children safe. Studies show children living in abusive homes are far more likely to grow up to be abusers, thereby perpetuating the cycle of violence. By making sure all kids have the opportunity to grow up in safe, healthy homes, we're helping us break the inter-generational cycle of trauma and abuse.

Our innovative approach is creating tangible change and making the world a better place for the next generation. We couldn't do this critical work without you. Thank you!
