Sponsorship Packet

**"Banding Together to
End Domestic Violence"**

**September 26, 2024
The Chapel, San Francisco**

CELEBRATING 12 YEARS OF IMPACT

We invite you to join us in a legacy of appellate representation, support, and advocacy in our community through sponsorship of our **12th Annual Battle of the Bands: Banding Together to End Domestic Violence** event on Thursday, September 26th at The Chapel in San Francisco!

Battle of the Bands (BOTB) is our annual fundraiser and our goal is to raise \$200,000 to advance the legal defense of our survivors.

FVAP was created in 2012 to fix a legal system that fails survivors of domestic violence. At that time, the number of California's published domestic violence-related cases could be counted on just one hand. Fast forward 12 years and FVAP replicated its successful California model and expanded into Washington state. Now there are an additional 46 published family law cases in California and 4 in Washington relating to positively supporting domestic violence survivors due to FVAP's work.

We believe no one should endure abuse.

FVAP is committed to providing free, high-quality, legal representation to survivors of domestic and gender-based violence to reverse dangerous court rulings that leave people at-risk for continued abuse.

Join us on September 26th to watch bands battle for the coveted title, **Best Lawyer Band in the Bay 2024!**

Bands consist of attorneys and employees from Bay Area law firms and corporate legal teams. Watch these rock star attorneys compete on our [YouTube Channel!](#)
